

SAVE up to \$500

When you purchase a high-efficiency heating oil system and a heating oil storage tank (valid while funds last).

One coupon per customer. To qualify for rebate, property must be located in Massachusetts and the system that is installed must be of greater efficiency than the system it replaces.

Rebates are available on a first-come, first-served basis and only while funds last.

Present this coupon to your heating oil company during purchase.

I am installing:

- A new heating oil system – \$300**
- A new heating oil storage tank – \$200**
- Both – \$500!**
